

See me, hear me!

Sexual exploitation is a crime

The sexual exploitation of young people is hidden from view. Vulnerable girls and boys are groomed and then abused, often by people they trust

If you are worried that you or someone you know is being sexually exploited, call the Police on 101, confidentially text or call **Say Something** on 116 000 or call Crimestoppers on 0800 555 111. In an emergency dial 999
