

# Sexual exploitation is a crime

## Checklist for housekeeping staff

If you see something suspicious or think it is happening in your hotel speak to your manager and call West Midlands Police on 101.

Perpetrators aren't always easy to spot. However, you can help by being vigilant and knowing what to look out for.

### Warning signs

- A lot of male visitors to one room
- Guests in and out of the room at irregular hours
- Young girls and boys with older men
- Parties in rooms
- Drugs and alcohol supplies like broken light bulbs, syringes, pipes, bongs
- A lot of condom wrappers in the bin
- Blood and faeces
- Guests who do not want their rooms cleaned
